WELCOME
TO SWISF 2027

Dear Innovators,

Every day in India begins in the Northeast. In 2027, so will the conversation on innovation.

The SUNRAY-World Innovation Summit & Festival 2027 brings founders, investors, students, policymakers, artists and guests from across India and beyond to Shillong for three days of ideas, capital and celebration.

Our purpose is simple: to give the Northeast's innovators the mentorship, connections and global exposure they deserve, and to build a lasting bridge to India's innovation and finance ecosystem.

Join us where India's sun rises first.

Warm regards,

Organising committee

SWISF 2027

OUR THREE PILLARS

INNOVATION

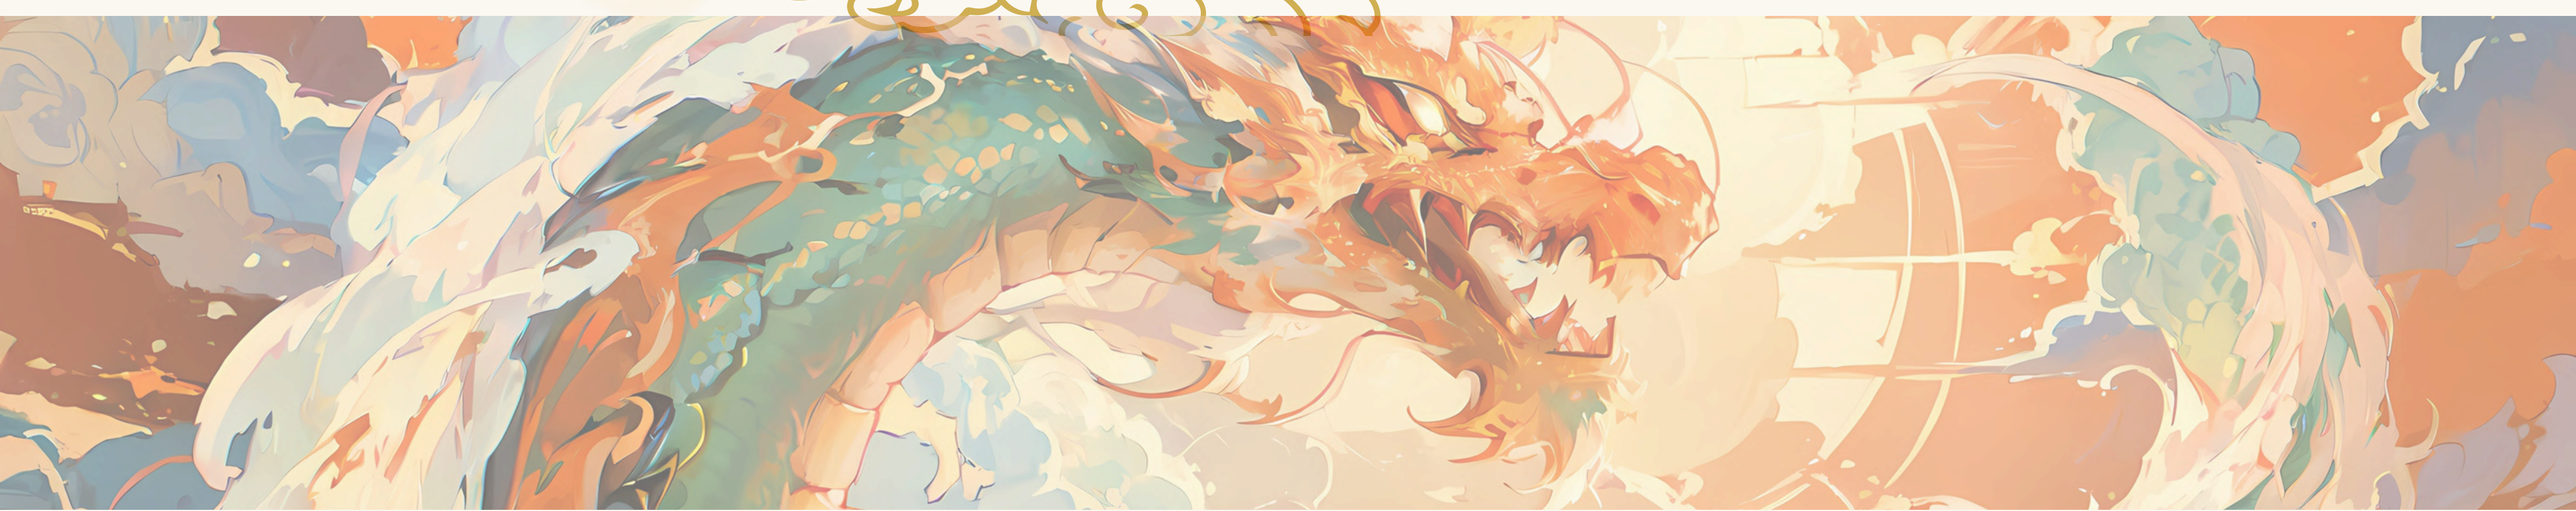

Ideas, startups and the people building them

CAPITAL

Investors, mentors and the knowledge to grow

CULTURE

Music, community and the spirit of the hills

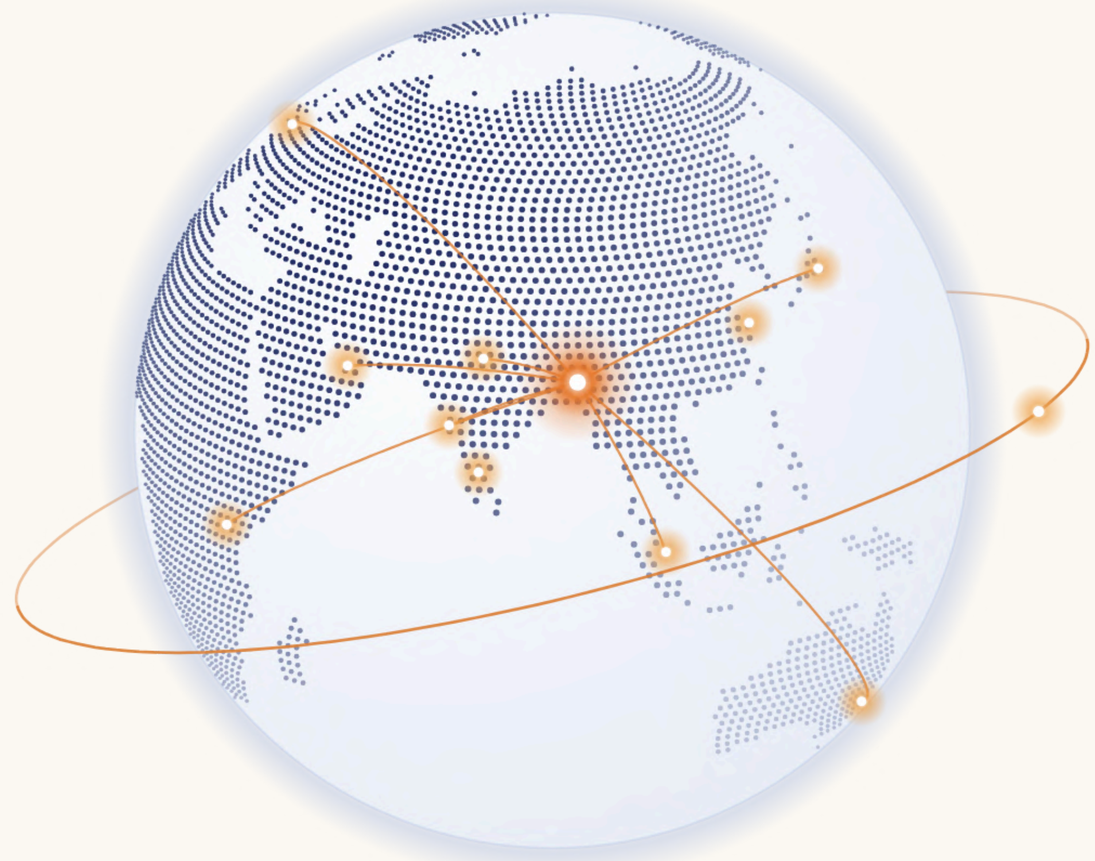

ABOUT
SWISF 2027

SWISF 2027 is a three-day summit and festival in Shillong, Meghalaya, organised by the the SWISF organising comittee comprising of members of E-Cell, NIT Meghalaya, leaders from industry, capital markets, government, academia and the startup ecosystem in collaboration with the Bombay Stock Exchange (BSE).

By day, the summit brings founders, investors, students and leaders into one room. By night, the festival fills the city with music.

It is one stage for the entire Northeast, built to connect the region's talent with India's innovation and finance ecosystem, and with the world.

SHILLONG · 25.6°N 91.9°E

AT A GLANCE

3
DAYS
Of summit and festival

2
WORLDS
Summit by day, festival by night

∞
IDEAS
One stage for the whole India.

1
CITY
Shillong, the concert capital of India

BY DAY
THE SUMMIT
Keynotes, panels, a startup pitch arena, investor connect and an expo of stalls.

BY NIGHT
THE FESTIVAL
Concerts on all three nights, jam sessions and a night market.

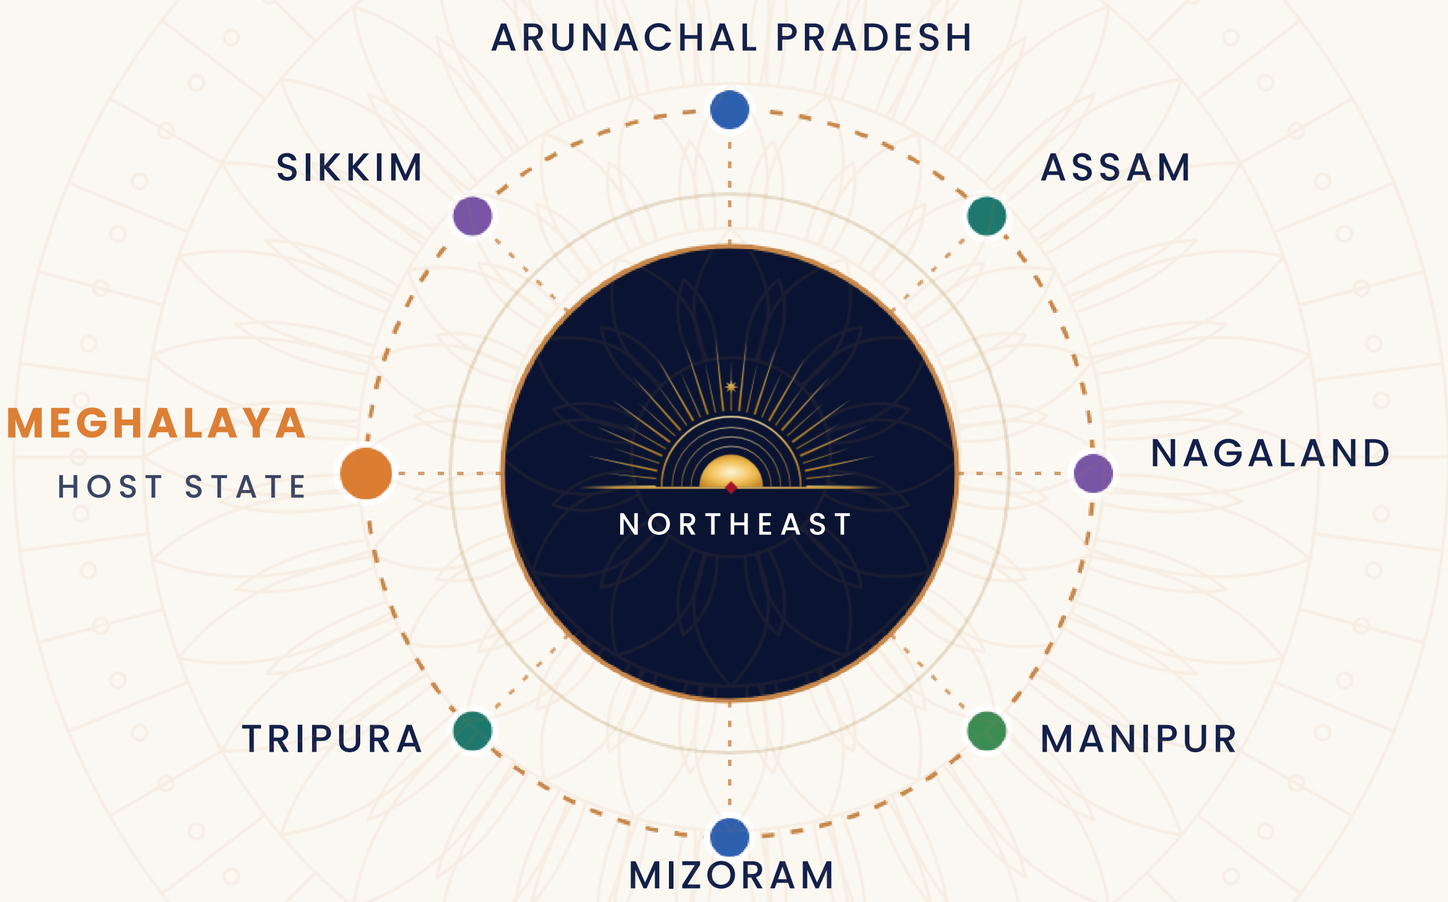

WHY THE NORTHEAST

Despite its immense potential, the Northeast's contribution to India's startup ecosystem remains very low.

The talent is here, and so are the ideas. What the region's founders lack is access: mentors who have built companies, investors who rarely travel this far, knowledge of capital markets, and a stage the world is watching. SWISF 2027 exists to give them that national and global exposure.

ONE STAGE FOR EIGHT STATES

WHAT THE REGION HOLDS

- Agriculture and food
- Bamboo, handloom and crafts
- Tourism and hospitality
- Music and creative industries
- A young, ambitious generation

WHAT SWISF BRINGS

- Mentors with real experience
- Investors and VCs in the room
- Capital-markets knowledge
- National and global exposure
- A lasting platform for the region

THE SUMMIT
BY DAY

Three days of ideas, capital and conversation, bringing founders, investors, students and leaders into one room.

WHAT HAPPENS BY DAY

01

KEYNOTES & FIRESIDE CHATS

Leaders from business, finance and government

02

PANEL DISCUSSIONS

Raising capital, listing, agri-tech, tourism-tech and women founders

03

STARTUP PITCH ARENA

Northeast startups pitch live to VCs, angels and experts

04

INVESTOR CONNECT

One-to-one meetings between investors and founders

05

STUDENT INNOVATION CHALLENGE

College teams pitch their ideas and prototypes

06

SCHOOLS INNOVATION SHOWCASE

Young innovators from schools across the region

07

FINANCIAL LITERACY SESSIONS

Investor awareness for students, families and the public

08

EXPO OF STALLS

Startups, incubators, government schemes and local enterprise

CONVERSATIONS AT SWISF 2027

Raising Capital · Going Public · Women Founders · Agri-tech & Food · Tourism-tech · Semiconductors · Creative Economy · Financial Literacy

THE FESTIVAL
BY NIGHT

Shillong, the concert capital of India, comes alive for three nights.

When the summit closes each evening, the city takes over. Concerts on all three nights, jam sessions and a night market turn SWISF 2027 into a celebration of the region's music, food and enterprise.

HIGHLIGHTS

A CONCERT EVERY NIGHT
Northeast bands and independent artists, all three nights

JAM SESSIONS
Open, collaborative and unforgettable

NIGHT MARKET
Food, crafts and products from local entrepreneurs

ON-STAGE MOMENTS
Pitch winners and partners celebrated before the crowd

IDEAS BY DAY ◆ MUSIC BY NIGHT

Three nights of concerts in the concert capital of India

WHO COMES TOGETHER

One stage for every voice that shapes the ecosystem, from first-time founders to seasoned investors, from classrooms to concert stages.

- FOUNDERS & STARTUPS
- INVESTORS & VCS
- STUDENTS & COLLEGES
- SCHOOLS & YOUNG INNOVATORS
- GOVERNMENT & POLICYMAKERS
- INDUSTRY & CORPORATES
- ARTISTS & MUSICIANS
- GUESTS FROM INDIA & ABROAD

Many collaborators. One shared vision:

a stronger Northeast.

SWISF 2027 welcomes partners, speakers and guests from organisations across India and the world.

THE NEXT GENERATION

Through E-Cell's Project Centre, SWISF 2027 reaches schools across Meghalaya and the Northeast.

Students build, present and learn alongside founders and mentors, and their families get a front-row seat to the region's innovation story.

THE JOURNEY

STEP 01

REACH OUT

Months ahead

Schools across the region are invited to take part

STEP 02

BUILD

In the run-up

Student teams develop projects with mentors from NIT Meghalaya

STEP 03

SHOWCASE

At SWISF 2027

The best projects take the stage at the Schools Innovation Showcase

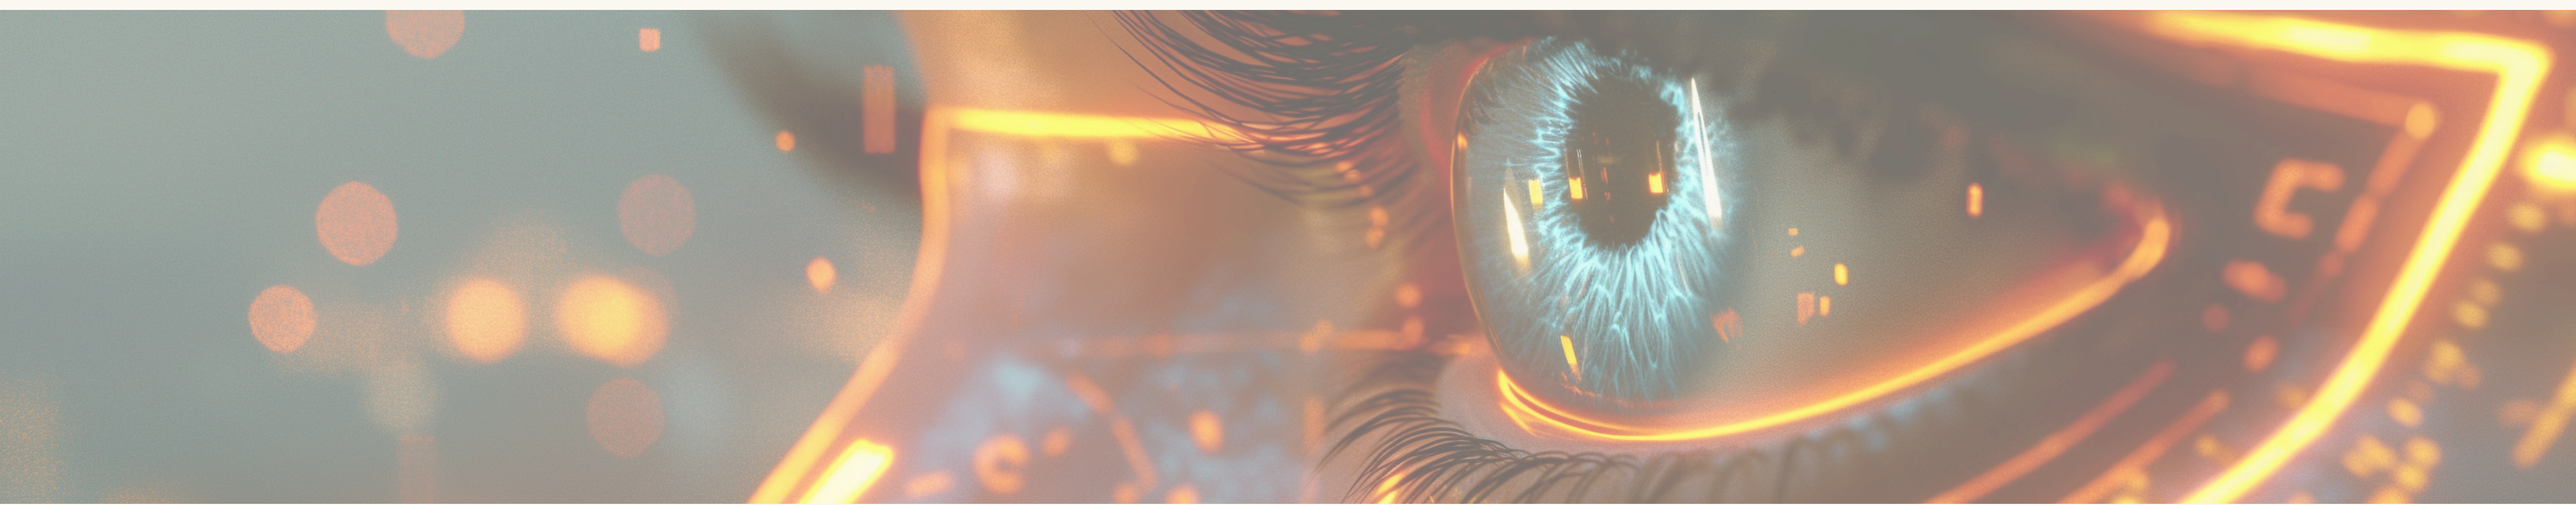

STEP 04

LEARN

During the summit

Students and families join financial-literacy and investor-awareness sessions

> Bringing teachers, parents and young minds into the innovation story.
